

UCLA Department of Pediatrics Speakers Bureau

lergy	r to schedule, please email Lindsay Hawes at Ihawes@me <u>Physician</u>	<u>Topic</u>
	Maria Garcia-Lorret	Diagnostic and Management Dilemmas in Food Allergy
		Atopic Dermatitis: A Primer for Pediatricians
		Insect Venom Allergy
		Air Pollution and Pediatric Asthma
		Overview of Allergic Diseases
		Eosinophilic Esophagitis
		Milk Protein Allergy
Cardiology	Daniel Levi	Catheter Treatment of Congenital Heart Disease
		Pulmonary Hypertension
		Acquired Heart Disease
		Hypercholesterolemia
		Congenital Heart Disease
		Heart Murmurs
	Kevin Shannon	Chest Pain
		Cardiac Evaluation of the Athlete
	Jeremy Moore	Pediatric Arrhythmia
	Gary Satou	Fetal and Pediatric Echocardiography
		General Pediatric Cardiology
	luan Alaias	Congenital Cardiac Imaging
	Juan Alejos Thomas Klitzner	Pediatric Heart Failure See Medical Home
	Mark Sklansky	Fetal Cardiology and Echocardiography
	Gregory Perens	Pediatric Echocardiography
		Pediatric Transesophageal Echo
		Marfan Syndrome
		Pediatric Cardiomyopathy
	Leigh Christopher Reardon	Pediatric Heart Transplant Adult Congenital Heart Disease
		Transitional Care
	Nancy Halpon	
	Nancy Halnon	Cardiomyopathy Myocarditis
Child Health Policy	Wendy Slusser	Myocarditis Promotion of Health and Wellness with a Focus on Pediatric Nutrition
a nearth Folicy	the start st	Promotion of Breastfeeding in the Hospital and Primary Care Clinic
		Management of Common Breastfeeding Problems
		Promotion of Healthy Nutrition in the School Lunch Program
		Prevention & Management of Pediatric Obesity in the Primary Care Clinic
		Prevention of Pediatric Obesity in the Pre-Schooler
	Alice Kuo	School Function: A Primary Care-Mental Health Collaborative Training Model
	Alterio	Early Developmental Screening in the Primary Care Office and Community Settings
		Primary Care Practice: Productivity and Payment in a Changing Healthcare Environment
		Disparities in Early Intervention Services for Autism
		Congenital Muscular Torticollis and Prevention of Positional Plagiocephaly
		Childhood Antecedents of Adult Cardiovascular Disease
	Debra Lotstein	Health Care Transitions for Youth with Special Health Care Needs
		Chronic Pain in Children and Adolescents
aniofacial/Genetics	Reza Jarrahy	Craniofacial Clinic, Mandibular Distraction, Orthognathic Surgery, Plastic Surgery, Cranial Vault Anomalies, and Microtia
• • • •	· · · · · ,	Cleft Lip and Palate
		Complex Craniofacial Defects
		Craniosynostosis
		Surgical Missions
		Pediatric and Adult Craniofacial Trauma
	Katrina Dipple	Common Genetic Syndromes, Inborn Errors of Metabolism, Craniofacial Anomalies, Plagiocephaly
	James Bradley	Craniofacial Clinic, Mandibular Distraction, Orthognathic Surgery, Plastic Surgery, Cranial Vault Anomalies, and Microtia
tical Care	Judith Brill	Pediatric Sedation
		Pediatric Anesthesia in 2012
		A Personal Experience: Operation Smile Missions
	Robert Kelly	CPR
	Yonca Bulut	Status Asthmaticus
		Status Epilepticus
	James Lin	DKA
		Status Asthmaticus
	Julianne Harrison	
		Neuromuscular Disorders
	Irwin Weiss	ShockIrwin
	Irwin Weiss	
	Irwin Weiss	ShockIrwin Terrorism
	Irwin Weiss	ShockIrwin Terrorism Pediatric Subacute Care
		ShockIrwin Terrorism Pediatric Subacute Care ARDS Shock
	Irwin Weiss Myke Federman	ShockIrwin Terrorism Pediatric Subacute Care ARDS Shock Sepsis

		Approach to Adolescent Sexually Transmitted Diseases Adolescent and Young Adult Men's Health
	Paul Chung	An Introduction to Child Health Policy (not for lay audiences)
	Turnelel Colum	An Introduction to Health Care Reform
	Tumaini Coker	Redesigning Well-Child Care Health and Health Care Disparities for Lesbian, Gay, Bisexual &Transgender Youth
	Ryan Coller	Acute Otitis Media and Otitis Media with Effusion
		Pediatric Sinusitis
		Pediatric Hearing Loss Pediatric Neck Masses
	Rebecca Dudovitz	Psychological Constructs Affecting Health Behaviors
		Breastfeeding Health Policy
	Cambria Garrell	The Pediatrician's Role in Smoking Cessation Counseling for Parents Pediatric Ear Exams and Otitis Media
		Pediatric La Exams and Ottris Media Pediatric Nasal Exams and Allergic Rhinitis
	Shahram Yazdani	Environmental Health for Pediatricians
		Transition Care for the Complex Child and Adolescent
		The Limping Child Dental Care of Children with Chronic Complex Diseases (2 parts)
		Apparent Life Threatening Events in Children
	Carlos Lerner	Failure to Thrive
		Pediatric Sleep Disorders in Primary Care Managing Constipation and Encopresis in Primary Care
	Claudia Wang	Child Abuse (Specific Topics Available upon request)
Hematology/Oncology	Jackie Casillas	Adolescent Young Adult Oncology
	Steve Feig	Cancer Survivorship Hypochromic Microcytic Anemias
	Noah Federman	Pediatric Sarcomas
	Theodore Moore	Bone Marrow Transplantation
		Cord Blood Banking and Transplant Common Hematology Cases for the Pediatrician
	Tom Davidson	Brain Tumors in Children
	Pam Kempert	Approach to the Bleeing Child
Infectious Diseases	James Cherry	Thrombosis Pertussis the New Epdemic
Infectious Diseases	James Cherry	Pediatric Rashes
		Immunization Update
	Yvonne Bryson	Congenital Infections Neonatal Herpes Infections
		Prevention and Treatment of Mother to Child Transmission of HIV
		Herpes infections- What Is New?
		Genital HSV- Treatment and Prevention Towards a CURE for HIV
		Treatment as Prevention for HIV
Medical Home	Thomas S. Klitzner	The Pediatric Medical Home: What is its value
		Health Care Delivery for Children with Special Health Care Needs The ACA and Children in California
		Advocating for Children's Health at the Local, State, and National Level
Nephrology	Joshua Zaritsky	Current Challenges in UTI Diagnosis and Management
	Isidro Salusky	Bone Disease in Children with Chronic Kidney Disease Cardiovascular Complications in Patients with Chronic Kidney Disease
		A Child with Frequent Fractures
	Ora Yadin	Proteinuria
		Hematuria Nephrotic Syndrome
		Hemolytic Uremic Syndrome
		Hypertension
		Post-Infectious Acute Glomerulonephritis
		Renal Involvement in Tuberosclerosis Treatment of Lupus Nephritis
		Cystinosis
	Robert Ettenger	Urinary Tract Infections
		Kidney Transplantation in Children and Adolescents Immunosuppression in Pediatric Organ Transplant Recipients : A Primer for the General Pediatrician
		New Developments in the Treatment of Typical and Atypical Hemolytic Uremic Syndrome
		Focal Segmental Glomerulosclerosis - The Dark Side on Childhood Nephrotic Syndrome
Neonatology	Meena Garg	Medication Nonadherence in Teenagers with Chronic Diseases - Why won't they take their medicine and what can we do about it? Therapeutic Hypothermia in HIE
		Neonatal Sepsis
	Kara Calkins	Neonatal Nutrition
	Valencia Walker	Intestinal Failure/Cholestasis Vitamin D and Maternal Health
		Vitamin D and Infant/Child Health (Respiratory Infections)
		Newborn Health-Related Issues (Hyperbilirubinemia, Neonatal Sepsis, Vitamin K Deficiency Bleeding)
		PostPartum Depression (Mother and Infant Considerations) Preventing Child Abuse (Working with Jessica Lloyd)
Neurology	Raman Sankar	Treatment of Epilepsy- Pharmacologic and Non-Pharmacologic
	Christopher Giza	Neonatal Seizures
		Seizures and Brain Injury, Plasticity Traumatic Brain Injury, Concussions
		TBI models, Downstream Effects on Cerebral Metabolism, Plasticity
	Joyce Wu	Evaluation of Children for Epilepsy Surgery
	,	Emerging Treatments for Tuborous Coloresis Complex
		Emerging Treatments for Tuberous Sclerosis Complex Dietary Management of Neurologic Disorders
	Joyce Matsumoto	Dietary Management of Neurologic Disorders Ketogenic Diet, Modified Atkins Diet, Etc.
		Dietary Management of Neurologic Disorders Ketogenic Diet, Modified Atkins Diet, Etc. Neonatal Seizures
		Dietary Management of Neurologic Disorders Ketogenic Diet, Modified Atkins Diet, Etc. Neonatal Seizures Headaches and Migraines in Children
		Dietary Management of Neurologic Disorders Ketogenic Diet, Modified Atkins Diet, Etc. Neonatal Seizures
	Joyce Matsumoto Sharifi-Hannauer	Dietary Management of Neurologic Disorders Ketogenic Diet, Modified Atkins Diet, Etc. Neonatal Seizures Headaches and Migraines in Children Connection Between Head Trauma and Epilepsy Behavioral and Developmental Problems in Children Interventional Programs for Autism
	Joyce Matsumoto	Dietary Management of Neurologic Disorders Ketogenic Diet, Modified Atkins Diet, Etc. Neonatal Seizures Headaches and Migraines in Children Connection Between Head Trauma and Epilepsy Behavioral and Developmental Problems in Children Interventional Programs for Autism Infantile Spasms
	Joyce Matsumoto Sharifi-Hannauer	Dietary Management of Neurologic Disorders Ketogenic Diet, Modified Atkins Diet, Etc. Neonatal Seizures Headaches and Migraines in Children Connection Between Head Trauma and Epilepsy Behavioral and Developmental Problems in Children Interventional Programs for Autism
	Joyce Matsumoto Sharifi-Hannauer Shaun Hussain	Dietary Management of Neurologic Disorders Ketogenic Diet, Modified Atkins Diet, Etc. Neonatal Seizures Headaches and Migraines in Children Connection Between Head Trauma and Epilepsy Behavioral and Developmental Problems in Children Interventional Programs for Autism Infantile Spasms Neuroimaging: Advances and Applications Pseudoseizures Pediatric Epilepsy: Common Pitfalls
Pain Management	Joyce Matsumoto Sharifi-Hannauer Shaun Hussain Harley Kornblum	Dietary Management of Neurologic Disorders Ketogenic Diet, Modified Atkins Diet, Etc. Neonatal Seizures Headaches and Migraines in Children Connection Between Head Trauma and Epilepsy Behavioral and Developmental Problems in Children Interventional Programs for Autism Infantile Spasms Neuroimaging: Advances and Applications Pseudoseizures Pediatric Epilepsy: Common Pitfalls The Future of Stem-Cell Therapeutic Approaches for Developmental Neurologic Disorders
